Case No. 02-22330 (DK)

(Jointly Administered)

**INTERIM ORDER UNDER 11 U.S.C.
§§ 105, 362, 365, 503(b), 507(a) AND 366 (I) PROHIBITING
UTILITIES FROM ALTERING, REFUSING OR DISCONTINUING
SERVICES ON ACCOUNT OF PREPETITION CLAIMS AND
(II) ESTABLISHING PROCEDURES FOR DETERMINING
REQUESTS FOR ADDITIONAL ADEQUATE ASSURANCE**

Upon consideration of the emergency motion of the Debtors seeking entry of an order under sections 105, 362, 365, 366, 503(b), and 507(a) of the Bankruptcy Code (i) prohibiting the Debtors' Utility Companies¹, including, but not limited to, the Utility Companies listed on Exhibit A², from altering, refusing, or discontinuing services on account of outstanding prepetition invoices; (ii) establishing procedures for determining requests for additional adequate assurance of payment, and (iii) scheduling a final hearing on the motion (the "Motion"); and the Court having reviewed the Motion and the Affidavit of Stephen Newton in support of chapter 11 petitions and first-day motions (the "Affidavit"); and it appearing that the Court has jurisdiction over the Motion pursuant to 28 U.S.C. § 157(b)(2); and the Court having determined that granting the relief requested in the Motion is in the best interest of the Debtors, their estates, their creditors and other parties in interest; and it appearing that due and adequate

² Baltimore Gas & Electric Company ("BG&E"), Potomac Electric Power Company ("PEPCO"), and Sacramento Municipal Utility District ("SMUD") are not listed on Exhibit A and are excluded from this provisions of this Order. As stated on the record, BG&E, PEPCO and SMUD have been separately addressed.

notice of the Motion has been provided under the circumstances; and that no other or further notice need be given; and for sufficient cause shown, it is

ORDERED that the Motion is granted on an interim basis subject to final approval by this Court; and it is further

ORDERED that the Debtors are authorized to pay on a timely basis, in accordance with their prepetition practices, all undisputed invoices with respect to postpetition Utility Services rendered by the Utility Companies; and it is further

ORDERED that, absent any further order of this Court, no Utility Company (a) listed on Exhibit A to the Order and served with a copy of this Motion and a signed copy of the Order within five (5) business days after entry of the Order, or (b) not listed as Exhibit A to the Order but subsequently identified by the Debtors and served with a copy of this Motion and a signed copy of the Order shall (i) alter, refuse, or discontinue service to, or discriminate against the Debtors, solely on the basis of the commencement of these cases or on account of any unpaid amount for utility service provided prior to the Petition Date, or (ii) require the payment of a deposit or other security in connection with the Utility Company's continued provision of utility service, including, but not limited to, the furnishing of gas, heat, electricity, water, telephone or any other utility of like kind furnished to the Debtors; and it is further

ORDERED, that under section 503(b)(1)(A) of the Bankruptcy Code, any unpaid postpetition charges for Utility Services constitute actual and necessary expenses of preserving the Debtors' estates, entitling the Utility Companies to an administrative expense priority under section 507(a)(1) of the Bankruptcy Code; and it is further

ORDERED, that the Debtors' record of payment of prepetition utility bills and demonstrated ability to pay future utility bills constitutes adequate assurance of future payment for Utility Services, pursuant to section 366(b) of the Bankruptcy Code; and it is further

ORDERED, that this Order is without prejudice to the rights of any Utility Company to request from the Debtors additional assurance in the form of deposits or other security; provided, however, that any such request must (i) be made in writing, (ii) include a summary of the Debtors' payment history relevant to the affected account and (iii) be received by the Debtors within thirty (30) days of the date of service of a final order (the "Final Order") on the Motion. Any request for additional adequate assurance of payment failing to meet these requirements shall be deemed an invalid adequate assurance request; and it is further

ORDERED, that if the Debtors believe that a request for additional adequate assurance made by a Utility Company, which otherwise satisfies the requirements set forth above, is unreasonable, and the Debtors are unable to resolve the request consensually with the Utility Company, then upon the request of the Utility Company (the "Request") the Debtors shall file a motion for determination of adequate assurance of payment and set such motion for hearing (the "Determination Hearing") on no less than twenty (20) days notice after the date of the Request, unless another hearing date is agreed to by the parties or ordered by the Court; and it is further

ORDERED, that any Utility Company having made a Request shall be deemed to have adequate assurance until the Court enters a final order in connection with such a Request finding that the Utility Company is not adequately assured of future payment; and it is further

ORDERED, that any Utility Company not listed on the Exhibit A (excluding BG&E, PEPSCO, and SMUD), but subsequently identified by the Debtors, shall be served with a

notice package consisting of (i) a copy of the Motion and this Order, and (ii) a notice setting forth the date and time for the Final Hearing and for filing objections to the Motion (the "Notice Package"), and be afforded thirty (30) days from the date of service to request adequate assurance, if any, from the Debtors. Such a request must otherwise comply with the requirements set forth above or shall be deemed an invalid adequate assurance request; and it is further

ORDERED, that substantially contemporaneously with the service of the Notice Package, the Debtors shall file with the Court a supplement to Exhibit A to the Order adding the name of the Utility Company(ies) so served, and this Order shall be deemed to apply to such Utility Company(ies) from the date of such service, subject to a later order of the Court on a motion for determination of adequate assurance, if any; and it is further

ORDERED, that the Debtors shall serve the Notice Package upon each of the Utility Companies listed on the annexed Exhibit A, at the addresses listed thereon, by first-class mail, postage prepaid, within five (5) business days of the entry of this Interim Order; and it is further

ORDERED, that objections, if any, to the Motion must be made in writing, filed with the United States Bankruptcy Court for the District of Maryland, 6500 Cherrywood Lane, Greenbelt, Maryland 20770, and served so as to be received by counsel to the Debtors, Arent Fox Kintner Plotkin & Kahn, PLLC, 1050 Connecticut Avenue, NW, Washington, DC 20036, Attn: Mary Joanne Dowd, Esq. and Hale and Dorr LLP, 60 State Street, Boston, Massachusetts 02109, Attention: Mark N. Polebaum, no later than 4:00 p.m. Eastern Time on November 18, 2002. If no objections to approval of the Motion on a final basis are filed and received, a Final Order may be entered granting the relief requested in the Motion on a final

basis without further notice or hearing. If an objection is properly filed and received as set forth

above, a hearing on approval on the Motion on a final basis will be held on November 20 ~~2002~~,

2002 at 2:00 p.m. Eastern Time before the Honorable Duncan W. Keir,
